Before you bid

Here are some things you should know when bidding on JetBlue travel:

Validity

- Travel Certificates are valid for one (1) year from date of issue. Travel must be booked and completed within the year of validity.

Limited availability

- All travel with Travel Certificates is capacity controlled and subject to availability.
- Seats may not be available on all flights, especially during holidays and peak periods.
- It is highly recommend to book flights using Travel Certificates as far in advance as possible.

Booking travel

- Certificate can only be redeemed by clicking on the “Redeem Travel Certificate” link included on the Certificate.

Additional restrictions

- Lost Travel Certificate authorization numbers/PINS cannot be replaced.
- Additional restrictions apply.
